Glacier National Park

Setting out for a hike.

Scenery at Many Glacier.

Traveler by the famous Weeping Wall (she's not really crying folks).

Taking a break by one of the park's many waterfalls.

Warning sign entering park.

While a wide variety of wildlife was observed during the trip including mountain goats, birds of many kinds, smaller mammals and a moose, this was the only bear spotted.

Taking a stroll around St. Mary's Lake.

View from the lobby of the Prince of Wales Hotel, located on the Canadian side of the park.
